

# Company Logo Address

[DATE]

Dear Restaurant Owner/Manager,

It is our pleasure to invite you to become one of [Company Name]'s "preferred restaurant partners" through participation in the Dinova marketplace.

We have partnered with Dinova to consolidate our corporate dining expenses. This initiative will result in a limited (preferred) list of high-quality restaurants for our employees to use for:

- Corporate Events
- Private Dining
- Catering
- Client Meals/Entertainment
- Post-workday team gatherings
- Business trips

... and more!

This preferred list of restaurants will be heavily promoted by [Company Name] to employees who are using Corporate Credit Cards (Executives, Salespeople, Team Leaders, Meeting/Event Planners, etc.) while conducting business on behalf of our company.

We have provided Dinova with a short "wish list" of partners in our key markets. You are receiving this letter because you are on this list. This is an opportunity to get more exposure across all our departments and employees, and to receive more business from our Corporate Cardholders.

We strongly request that you consider joining the Dinova Network, and look forward to promoting your business to our [Company Name] employees.
